Hey, Brian. Sorry last time around didn't work out to chat about the ArcelorMittal Order, but how are things looking for you guys next week? I'm going to be out of the office the rest of this week starting tomorrow. I know it's short notice, but I think we're all free here the rest of the day today if by any chance you're free as well.

Ray Cullen, Environmental Engineer
U.S. EPA Region 5
Water Enforcement and Compliance Assurance Branch

Not good, unfortunately. I'm off on Friday. Not sure about the rest of us.

How does your Friday look? Most folks are busy Thursday on our end.

Brian Wolff

Good afternoon, Brian. We would like to have a call with IDEM to discuss the Agreed Order you guys have drafted for ArcelorMittal and your case against them. Ryan said you offered to set it up. In that case, here is who'd like to participate on our side:

Me
Ryan Bahr
Mike Beslow
Tom Mendez
Tom Krueger

It looks like 11 this Thursday works for all of us, and maybe after 3 pm tomorrow too.

Thanks for setting up this meeting.

Ray Cullen, Environmental Engineer
U.S. EPA Region 5
Water Enforcement and Compliance Assurance Branch
